(Please note, Parent Pay will show a balance to pay for ALL clubs relevant to your child's year group)

Please note the following Club Guidance Notes

- **Club Cancellation:** Where staff absence or professional commitments force a club to be cancelled, either school or the club leader will attempt to contact parents. Where parents cannot be contacted or when time does not make this possible, children will stay in school until the time the club was due to finish.
- **Clothing:** All children involved in Sports clubs will be expected to wear PE clothing and follow PE guidelines. Club leaders will let children know if there are any other clothing requirements. All football club children preferably should wear shin pads and we recommend wearing them. However, as children are not wearing studded boots, shin pads are not essential.
- **Expectations:** Whether run by a member of staff or not, school rules apply at all times. Children will be asked not to attend if they do not fulfil these expectations.
- To help us provide the very best additional and extra-curricular experiences for our children, there is a **small surcharge** on after school clubs, included in the costs above. The money school collects will go partly towards providing the resources needed to run some clubs and towards some additional experiences, as well as developing our school grounds and facilities. The way you pay for clubs will remain the same. However, we do not wish children to miss out on these enrichment activities, so if cost is prohibitive, please do speak to the School Office. Thank you for your understanding.
