

Home Learning – Week commencing 18th May

Year 1

Dear Parents. Tapestry is now live: <https://tapestryjournal.com/> Please login and view the teachers' videos on the 'Memos' tab and share any learning or activities on the 'Observations' tab. Thank you! We seek to provide daily, meaningful learning activities that parents can provide some level of support with. We hope children will be encouraged to maintain their learning through the activities below as much as possible. Please can all recorded work be completed in the blank exercise book that has been sent home, apart from where the task dictates otherwise. Please use this area of our website for useful information: <http://bathwickstmary.org/home-learningresources-2/> Please feel free to adapt or change the activity for your child if appropriate. Thank you for your ongoing support. Mr. Purkiss

Dear Year One,

This week for English we thought we would combine our building project with some History and your grandparents (or other special relatives in your family) as you must be missing them lots! Miss Lozynskyj is really missing her family as she is desperate to meet her new nephew who is 6 weeks old. Mrs Hoskin's children are being taught some lessons by their grandparents over zoom online!

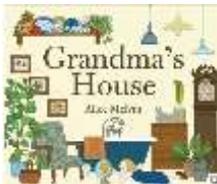

We are approaching half term so if you are running out of energy and your children are tired, then please don't feel that you have to do all of the learning below! Pick and choose your favourites.

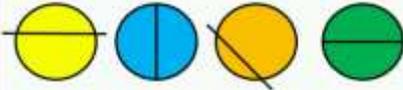

With Love Mrs Hoskin and Miss Lozynskyj

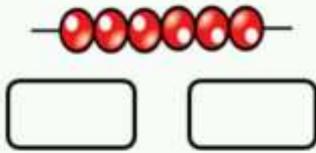

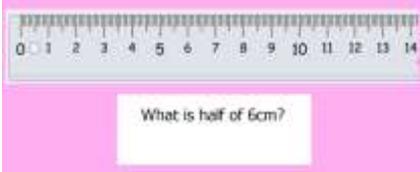

P.s: Here is a lovely rainbow song that you could learn. Find it here:

	English	Maths	Topic
Day 1	<p>To draw a picture of your grandparents (or other relatives) home and write about it.</p> <p>Listen to the story 'Grandmas House written by Alice Melvin' https://www.bbc.co.uk/sounds/play/p06vw2p0</p> <p>What do you like about your grandparents' house?</p> <p>Draw a picture of their house and write some sentences to explain what is like when you visit.</p> 	<p>Fractions: Can I find half of an object?</p> <p>Watch the video on Tapestry. I will introduce the maths lessons for today, Tuesday and Wednesday.</p> <p>How can these objects be cut in half? Draw a line to cut the objects in half. Now find some pictures in an old magazine and cut them in half. Or you could ask a grown up to help you cut some real objects in half.</p> 	<p>Science</p> <p>To explore floating and sinking materials.</p> <p>Watch Kit and Pup</p> <p>https://www.bbc.co.uk/iplayer/episode/b0bc29rr/kit-pup-series-1-7-floating-and-sinking</p> <p>Gather a variety of objects. Some ideas are:</p> <ul style="list-style-type: none"> Tin of beans Tennis ball Button Scissors Spoon Elastic band Stone Brick <p>Can you record which items float and sink on the attached table? Make some Estimates before you carry out the experiment!</p>

			<p>Discuss with your grown up what you found out!</p> <p><u>Challenge:</u></p> <p>Try with an empty water bottle. Predict what will happen. Try filling the bottle with water.</p>
<p>Day 2</p>	<p>To learn about where your Grandparents lived when they were your age.</p> <p>Can you find out about the home that one of your grandparents or relatives lived in when they were your age?</p> <p>Facetime/Zoom/or telephone them and ask them some of the following questions:</p> <p>Where did you live when you were my age? What was your house like? Did you have your own bedroom? Did you have a garden? What material was your house made from?</p> <p>You could write down some answers in your book!</p>	<p>Which circles have been split into equal halves?</p>  <p>Now find some round things to draw around- Sellotape/ a plate/ a cup. Cut round your shapes. Can you split them in half equally?</p> <p>Try the maths challenge at the end of the home learning sheet.</p>	<p>Geography</p> <p>Many people visit Bath every year. Which places do you think tourists most like to visit? Why?</p> <p>Think about the key landmarks in Bath.</p> <p><i>Parents see if the children can think of any of the below!</i></p> <p>Sydney Gardens Victoria Park The sports centre The River Avon. Bath Abbey The Roman Baths Pulteney Bridge The Royal Crescent.</p> <p>What is your favourite place in Bath?</p> <p>Write a few sentences and draw pictures to describe a favourite place in Bath or dress up as a tour guide and make a video!</p>

<p>Day 3</p>	<p>You must all be missing your grandparents lots right now.</p> <p>Could you write a story about an adventure you could have with a grandparent in their house or garden?</p> <p>You could listen to this story 'Lollipops and Grandads back garden Safari' for some ideas!</p> <p>https://www.youtube.com/watch?v=W2LsuHv8gX8</p> 	<p>Can I find half of amounts? Find half of the amounts.</p>  <p>There are ___ beads. Half of ___ is ___</p> <p>Now use your own objects: hatchimals, baking beans, lego... to make up your own halving number sentences.</p> <p>Challenge: See the money activity on the last page.</p>	<p>PSHE: What is a community? Talk to your parents about what a community is. What communities do you belong to? How do you know? How do people help others in their community? Are your neighbours doing anything special at the moment? People may be helping others with their shopping for example. You may like to draw a rainbow for your window if you do not already have one or make a poster to put in your window to thank people for their help.</p> 
<p>Day 4</p>	<p>Make a card for your grandparents/relative.</p> <p>Write in it to tell them how much you miss them. You could draw a picture of you with them on the front of the card or even their house that you drew on Monday!</p> <p>Can you write their address on the envelope and find a post box to send it to them?</p>	<p>Can I find half on a number line? Answer the question below. How do you know?</p>  <p>Draw your own number line and mark where the halfway point is. You can make your number line as long as you want.</p> <p>Challenge: Measure some objects with a ruler. How long are they? How long would they be if you cut them in half? Super challenge: See the challenges at the end.</p>	<p>RE: Prayers Christian prayers have four main types: praise, saying sorry, saying thank you and asking for something. Have a think today about a prayer a 6-year-old Christian could say in a time of prayer at church. You can share your prayer with a grown up. You may like to write it down using coloured pencils or pens.</p>
<p>Day 5</p>	<p>Weekly spellings: wrong sing bring thing long</p>	<p>Phonics Free Phonics Play log in: Username: march20 Password: home</p>	<p>Golden Time Choose an activity from the following list:</p> <p>Make a pizza café selling real or pretend pizza. You could serve your</p>

	<p>Challenge: drinking stinking blinking winking sinking</p>	<p>Look at the words: wrong and sing. Soundtalk the words and draw sound buttons. Say the word- drinking and clap out the syllables. Write the two syllables separately on a whiteboard. Sound each syllable and draw sound buttons.</p> <p>Challenge: Repeat with stinking, blinking and thinker</p> <p>Handwriting: You could write your own silly sentences using these words.</p>	<p>toys half a pizza each. Your toys may need help with counting their money to pay too!</p> <p>Start to make a scrapbook of your favourite things</p> <p>Make a junk model rocket</p> <p>Make some muffins, biscuits or cakes- more maths practise!</p> <p>Read your favourite story to a grown up or a cuddly toy</p> <p>Play sleeping lions. Your parents will enjoy this game too!</p>

Weekly Extension Project / Challenge Activity

Try the maths challenges on the next page.

How many different ways can you shade one half of the shapes?

What is half of the amounts shown?

The total is ___ p
Half of ___ p is ___ p

The total is ___ p
Half of ___ p is ___ p

Wednesday

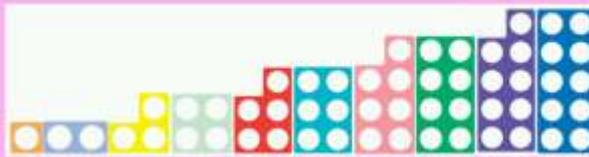

Now try your own money halving challenges.

Can I use halving to find and sort odd and even numbers?

Matthew is finding halves. He says, "It is hard to find half of an odd number." Do you agree?

Can you use this to find and sort more odd and even numbers?

Odd numbers	Even numbers

Science:

	Object (draw the objects)	Did it float or sink ? (write float or sink)
