

Home Learning 'menu' of activities – Week commencing 06.07.20

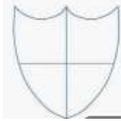

For Year R, 1, 2, 3, 4, 5

Dear Parents,

It has been lovely to see so many of our children across all year groups attending school during last week. We look forward to welcoming the remaining children in Years 2, 3, 4 and 5 this coming week. Responding to feedback, we have adapted our approach to Home Learning during the last fortnight to support with transition to new year groups. This home learning is designed as a 'menu' – please pick and choose any activities you would like, and do not feel you need to get through everything! Please do feel free to share your child's learning on Tapestry. Whilst teachers are looking forward to seeing what they have done, we won't be commenting individually on Tapestry in this last fortnight as instead teachers are contacting parents individually (some of you will already have been contacted) and putting in many preparations for September. Please do remember to send in your child's written home learning in the last week so teachers can review this and Tapestry over the summer in order to best support your child in September. Thank you for your on-going support.

Mr. Purkiss

<p>School Quiz Create a quiz from what you have learnt this year. Can you see how many points your family can get?</p> 	<p>Write a Letter to your current teacher and upload it to Tapestry. What do you want to tell them?</p> 	<p>Create a bookmark for use when reading over the summer.</p> 	<p>My Year in pictures. Choose some photographs you and your family have taken this year to tell the story of your Year.</p> 
<p>What makes a good learner? Design a poster or use computing software to show what makes a good learner.</p> 	<p>Write to your friends. Write a message to your friends and upload it to memos on Tapestry for all the class to see.</p> 	<p>Create a postcard and upload it to Tapestry. You could create a postcard based on a destination of your choice. Somewhere you have been or somewhere you would like to visit! Post in memos on Tapestry for all your class to see.</p> 	<p>Write a Letter to your new teacher and upload it to Tapestry.</p> 
<p>Write your own story. It could be about anything!</p> 	<p>Reading Challenge Take pictures of unusual places you have read a book. Where is your favourite place to read?</p>	<p>Sharing home learning- what are you proud of? Why are you proud of it?</p>	<p>Create a portrait of yourself at the end of your current year. You could use a mixture of paints, drawing, collage and printing. Could you try to include you holding items which represent your year?</p> 

<p>Create a list or a picture representation of things which will be the same in your new class and things which you think might be different.</p>	<p>Design a class of 2020 T-shirt. Can you upload it to Tapestry?</p>	<p>What makes me happy? Draw a picture of yourself in the middle of a page. Draw and write things that make you happy around your picture.</p>	<p>Five Expectations- Draw around your hand- inside each finger write or draw something that you would like to achieve in the next year.</p>
<p>All about me Write a list of things that you would like your new teacher to know about you!</p>	<p>Make a model that represents you. Take a photograph and upload it to Tapestry.</p>	<p>Make a personal shield. 1st section- your favourite things 2nd Section- your family 3rd section- you 4th section- what you enjoy at school</p> 	<p>Make a 'hopes and wishes jar' My hopes and wishes for a year ... make a box or decorate a jar and put your hopes and wishes on slips of paper to be kept until the end of the year.</p> 
<p>Create a 'Summer Bucket List' of things that you want to do during the summer holidays.</p> 	<p>Create a cloud and rainbow picture like this, to share with your new teacher six adjectives that describe yourself. Then you can display it somewhere in your house so you can be reminded of these brilliant qualities of yours!</p> 	<p>Design a 'Shirt about me T shirt'. Fill it with colourful drawings that tell us all about you. Add in your favourite film, book, food, song, sports, hobbies, name, age, family and anything else. Add lots of colour too!</p> 	<p>Write a poem, rap or song about this last year in school. Think back to your memorable moments – what stands out? What did you enjoy the most? You could even add in some instruments and dance moves too if you are feeling creative!</p> <p>You could even perform it and post onto Tapestry.</p>
