*A precise timetable will come home with the children in September.

Maths and English

- Following the **new** curriculum for Y6
- Age-related expectations for Maths and English (**no more levels!**)
- More information is available on the school website
- Support will be given to those needing it in the form of booster groups or targeted individual sessions.

TOPICS

- Children during the wars Term 1
- The Bath Blitz Term 2
- Mexico Term 3 and Term 4
- Diversity/Islam Term 5 and Term 6

Topic webs are sent out with newsletters at the start of each long term.

Home learning

- **Weekly** home learning tasks given out and collected in the following week. The children will all be given a **home learning folder** – please ensure they use these.
- It will usually contain:
 - **Spellings**
 - A weekly **Maths** and **English** task
 - Times tables
 - Term 3, 4 & 5 - Revision guides
- At school - spelling test each week
- There is also an expectation that children will read **every day** at home and to parents regularly.

Projects

Usually related to the topic and will cover different subjects. It is much more open-ended and designed to allow the children choice and challenge in their learning at home.

There will usually be **one project per term** and the children will have around **4 weeks to complete them.**
