Barriers to future attainment (for pupils eligible for PP, including SEND and high ability) In School and External

A.	Several children find it difficult to emotionally regulate and this means they are not always ready to learn. (This group also includes those who are high ability and pupils with SEND).
B.	Pupils in KS1, who are identified as pupil premium, who struggle to recognise and apply their phonic knowledge. Pupils who would not pass the phonics check in Year 1.
C.	Some pupils struggle in their confidence and resilience as writers, therefore writing stamina and motivation to write can be limited.
D.	Whilst the attendance for many PP students is good, we have some children who are persistently absent or have attendance below 95/90%.
