

**Bathwick Progression of Skills/Knowledge in RE** (including vocabulary)

**A Year Six child will leave Bathwick** knowing about the key concepts that underpin the teachings and beliefs of Christianity and other major world religions. They will be able to reflect on their own religious perspective and personal beliefs, and articulate their thoughts about religious teachings and their own spirituality. Bathwick pupils will have a deepening understanding of the place of religious faith in society today, both locally and around the world. Through a diverse and engaging curriculum and positive encounters with people of different faiths and none, pupils will engage sensitively with those who hold beliefs and worldviews that are similar and different to their own, demonstrating empathy and respect. Pupils at Bathwick will have experienced and recognise the ways in which religious beliefs influence and are expressed through art, literature and music. They will discern how values, beliefs and teachings impact believers' life-choices, rituals and social engagement. They will be curious about the diversity of the global community to which they belong, and compelled to challenge prejudice and injustice when they see it. Bathwick pupils will have been afforded opportunities to contemplate the answers provided by religions and worldviews to life's 'big questions' and mysteries, and to develop their own ideas, beliefs, and values in relation to these. RE lessons will have provided a space that fosters the children's sense of self-worth, and inspired pupils to imagine, engage with and contribute to the creation of a better world for all.
