Bathwick St Mary Progression of times tables in Maths.

Year1 to Year 6

Year 1 – In year 1 the children will learn the **2, 5 and 10 – repeated addition.**	**Year 2** – In year 2the children will learn the **2, 5** and **10's**
Year 3 – In year 3 the children will learn the **3**, **4** and **8**'s in Term 1 to Term 4 and in Term 5 and 6 the **9** -**11** times table	**Year 4** – In year 4 the children will learn the **6, 7** and **12.** In year 4 the children will sit the Multiplication Tables Check (MTC)
Year 5 – Over learn and consolidate tables. Multiply a single digit by 10, 100 and 1000 and divide up to 4 digit number by 10, 100 and 1000. Use related facts e.g. 3 x 6 = 18 so 3 x 60 = 180 Square numbers and cubed numbers.	**Year 6** – Over learn and consolidate – Multiply by 10, 100 and 1000 and divide up to 5 digit number by 10, 100 and 1000. Use related facts e.g. 3 x 6 = 18 so 30 x 60 = 1800 Square numbers and cubed numbers. plus - cubed numbers and cube roots.

When learning the times tables, the inverse and division facts will be learnt alongside the table being taught.
