Year 6 – RE - Terms 3 and 4: Salvation

What difference does the resurrection make to Christians?

Curriculum Key Question: How can I look after myself and others?

Topic: Fantastic Beasts – where can we find them?

What should I already know?

- Christians read the 'big story' of the Bible as pointing out the need for God to save people. This salvation includes the ongoing restoration of humans' relationship with God.
- The Gospels give accounts of Jesus' death and resurrection.
- Belief in Jesus' resurrection confirms to Christians that Jesus is the incarnate Son of God, but also that death is not the end.
- This belief gives Christians hope for life with God, starting now and continuing in a new life (heaven).

Expected outcomes by the end of this topic:

- Outline the timeline of the 'big story' of the Bible, explaining the place within it of the ideas of Incarnation and Salvation.
- Suggest meanings for resurrection accounts, and compare their ideas with ways in which Christians interpret these texts, showing awareness of the centrality of the Christian belief in Resurrection.
- Explain connections between Luke 24 and the Christian concepts of Sacrifice, Resurrection, Salvation, Incarnation and Hope, using theological terms.
- Make clear connections between Christian belief in the Resurrection and how Christians worship on Good Friday and Easter Sunday.
- Show how Christians put their beliefs into practice in different ways.
- Explain why some people find belief in the Resurrection makes sense and inspires them.
- Offer and justify their own responses as to what difference belief in Resurrection might make to how people respond to challenges and problems in the world today.
