

Unit Objective: To remember and recall from memory 10 common animals in French with the correct article/determiner.

By the end of this unit we will be able to:

- Name and recognise up to 10 animals in French.
- Attempt to spell some of these nouns with their correct indefinite article/determiner.
- Pretend that we are a particular animal using the 1st person singular form of the verb **être** (to be), **je suis** (I am).

It will help if we already know:

- The letter sounds (phonics & phonemes) from phonics and pronunciation lesson 1 and vocabulary from the '**J'apprends le français**' unit.
- What a noun and article/determiner is in English.
- What a verb is and that 'I am' comes from the verb 'to be' in English.

Skills we will develop:

We will work on improving our memory skills so that we remember the animals in French after the lesson. Remembering to look out for cognates such as **lion** (lion) using pictures to help. Learning how to build a short simple sentence in French using 1st person conjugated verb **je suis** (I am), an indefinite article/determiner (**un** or **une**) and a noun (in this unit an animal).

Activities we will complete:

There will be many speaking, reading, listening and written tasks to help us learn and retain the new vocabulary including word puzzles, word searches, crosswords and gap fills. Building up to a final task of producing a short simple phrase with '**je suis...**' plus an animal from memory.

Grammar we will learn & revisit:

Nouns, gender, article/determiners and verbs. To learn that nouns in French can have different articles/determiners based on their gender (masculine and feminine nouns). Looking more closely at two indefinite articles/determiners: **un** (for masculine nouns) and **une** (for feminine nouns). Learning how to categorise nouns by gender (**un** or **une**). Introduction of 1st person singular conjugation of the high frequency irregular verb **être** (to be) in French.

Phonics & pronunciation we will see:

Recommended phonics focus: **CH OU ON OI**

- **CH** sound in **cheval**.
- **OU** sound in **souris** & **mouton**.
- **ON** sound in **cochon** & **mouton**.
- **OI** sound in **oiseau**.
- **Silent letters.** The 'D' is not pronounced in **canard** and the last 's' is not pronounced in **souris**.
- **Nasal sounds.** Starting to explore the four French nasal sounds (**on**, **un**, **in**, and **an**). This sound does not exist in English and is made through the nose not the mouth! Words like **cochon**, **singe** and **mouton**.

Vocabulary we will learn & revisit:

The animal nouns in French plus their appropriate indefinite article/determiner. 1st person conjugation of the verb **être** (to be), **je suis** (I am). All listed on Vocabulary Sheet.
