GOSPEL
WHAT WOULD JESUS DO?

Curriculum Key Question: How do I express myself? How can I look after myself and others?

Topic: Who were the Ancient Egyptians?

What should I already know?

Christians believe Jesus challenges everyone about how to live-he sets the example for loving God and your neighbour, putting others first.

Christians believe Jesus challenges people who pretend to be good (hypocrisy) and shows love and forgiveness to unlikely people.

Christians try to be like Jesus.

Christians try to put his teaching and example into practice in lots of ways.

KNOWLEDGE BUILDING BLOCKS

PUPILS WILL KNOW THAT:

- The good news is not just about setting an example for good behaviour and challenging bad behaviour: it is that Jesus offers a way to heal the damage done by human sin.
- Christians see that Jesus' teachings and example cut across expectations – the Sermon on the Mount is an example of this, where Jesus' values favour serving the weak and vulnerable, not making people comfortable.
- Christians believe that they should bring this good news to life in the world in different ways, within their church family, in their personal lives, with family, with their neighbours, in the local, national and global community.

★ OUTCOMES

BY THE END OF THIS UNIT, PUPILS ARE EXPECTED TO BE ABLE TO:

- 1. Identify features of Gospel texts (for example, teachings, parable, narrative).
- 2. Taking account of the context, suggest meanings of Gospel texts studied, and compare their ideas with ways in which Christians interpret biblical texts, showing awareness of different interpretations.
- 3. Make clear connections between Gospel texts, Jesus' 'good news', and how Christians live in the Christian community and in their individual lives.
- 4. Relate biblical ideas, teachings or beliefs (for example, about peace, forgiveness, healing) to the issues, problems and opportunities of their own lives and the life of their own community in the world today, offering insights of their own.

Treating others as you would like to be treated
