

Year 2 Term 4 Art: 3D (Modroc flower)

Curriculum Key Question: How can I express myself?

Topic: How does your garden grow?

What should I already know?

Previously explored malleable media such as clay, papier mache, salt dough, playdoh and sand.

How to impress and apply simple decoration.

How to cut shapes using scissors and other modelling tools.

Skills I will develop:

- Design and plan the final outcome of my piece before making.
- Developing understanding of modroc (plaster bandage).
- Mould wire and Modroc safely to produce a 3D model.
- Shape, form, join, construct and model materials for a purpose from observation and imagination.
- Manipulate malleable materials in a variety of ways including rolling, pinching and kneading.
- Impress and apply simple decoration techniques: impressed, painted, applied, carved.
- Select and use tools and equipment safely and in the correct way.
- Use surface patterns/ textures when appropriate.

Key Vocabulary:

Modroc - plaster bandage that can be used to make sculpture

Wrapping - cover by winding or folding

Smooth - not rough; even

Plaster - cover or smear with or as if with a paste used for coating.

Pinch - squeezing between the thumb and fingers

Pressing - apply pressure to (something) to flatten

Rolling - move or cause to move by turning over and over on a surface

Rubbing - move along the surface of something with pressure

Stamping - to move with force and speed downward upon something.

Coil - to wind into rings or a spiral

Form - to give shape to
